1-3 FEBRUARY

In January Care for the Family's head office moved from Cardiff to new premises in Newport. The refurbished building enables us to host our own events and training as well as providing recording and video facilities. This means we will be able to produce digital resources in-house and provides the possibility of live-streaming across the UK.

Give thanks for all those who donated so generously to make Care for the Family's new home a reality. Also that the move went smoothly and the building will enable us to reach more families.

Bereavement Care Awareness was developed to equip churches to support those in their community who are coping with the death of a loved one. Bereavement Care Awareness training is taking place in Oswestry (2 Feb).

Please pray that as people return to their churches the training they have received will help them support and bring comfort to those who have lost a loved one.

We are recruiting for an administrator in Northern Ireland.

Please pray for the recruitment process and that the right candidate will be found.

3-9 FEBRUARY

Bereavement Care Awareness
Scunthorpe and Walthamstow (9 Feb).

Kate Duroux is our London Co-ordinator. Kate is organising a gathering for facilitators delivering our parenting resources across London in March.

Please pray as the invitations go out this month that facilitators will be enthused by the opportunity to connect with one another and will sign up.

Inspire is an easy-to-run small group discussion to start us thinking about how to build faith in our children. All the materials are free to download, or have as a physical pack, and the session takes 90 minutes.

Please pray that individuals and churches will run this resource with parents. Pray that parents and carers will feel encouraged that there are small things everyday things they can do that can inspire faith.

Katharine Hill and Phillip Jinadu will be presenting our marriage enrichment event It Takes Two across the country during March.

Pray that our new interactive Twitter campaign, that aims to directly answer people's fears about coming to an event like this, will encourage people to book on.

Rob Parsons will be speaking on tour again in March and May with The Wisdom House. During this event Rob shares triumphs and failures that he has experienced in his own life, plus life changing tips he has learnt from others.

Please pray people will book tickets and that those who attend will feel encouraged and they will be able to access our resources and any other support they may need.

10-16 FEBRUARY

Care for the Family Staff Conference will be taking place at our new offices (14 Feb). This is an opportunity to bring all staff together to share updates about our work and vision for the future.

Please pray for new staff members and those who have suffered recent loss or face family difficulties of their own. Often these days can raise emotions when they talk about issues facing families we are working with. Pray that staff will feel strengthened and resourced.

Bereavement Care Awareness Glasgow
(16 Feb).

17-23 FEBRUARY

Our leadership team will be taking some time away to pray and plan this month (18-20 Feb).

Please pray for them that they would feel refreshed and inspired.

24 FEBRUARY-2 MARCH

This time of year sees an influx of applications for bursary places for our Take a Break holidays. Take a Break is a multi-activity holiday for single parent families, run by Care for the Family.

Please pray for our team as they process these applications. There are always more applications than spaces available so please pray for discernment. Pray for those who are unsuccessful in getting a place that they may have other opportunities this summer.
