

DISCUSSION QUESTIONS

EPISODE 3: MANAGING YOUR MONEY TOGETHER

featuring Mark and Cathy Madavan

1. Do you find it easy to talk about money and finances? Why do you think that could be? What has influenced your attitude towards money?
2. Would you say that you are naturally a spender or a saver? What about your spouse? What are the positives and negatives of each?
3. Mark and Cathy agree that spending money is not about what they deserve, but what they can afford. What do you think about this?
4. What matters to you when it comes to money? What are your financial priorities as a couple?
5. If you don't have a budget already, why not set some time aside to draw one up together?
