

## DISCUSSION QUESTIONS

### EPISODE 1: PRIVACY, PUBERTY AND PORN

1. Can you identify someone that you as a parent can go to share your anxieties with – a ‘freak out’ partner?
2. What strategies can we find to be emotionally intelligent in dealing with difficult situations in a way that draws our children towards us rather than driving them away?
3. How can we shape the ‘big’ conversations in healthy ways so that they encourage our children to follow our family values?
4. What informal opportunities can we take to drip feed our values to them?
