

## DISCUSSION QUESTIONS

### EPISODE 7: TEENAGE FASHION STATEMENTS

1. What dress/image issues do you find hard to cope with in your teens?
2. How do you think your teenager sees their image choices?
3. How much of what you worry about, in terms of the way they look, actually does matter?
4. What do you think your teenagers fashion choices communicate about the way they feel about themselves?
5. Can we encourage their self-confidence in the way they look without making them feel that their appearance is all important?
6. Do your teens think about the message that their clothes give off? Have you talked to them about how other people might see them and what they think about that these reactions?
