*Because you don't always  
have to learn the hard way*

2017 TOUR

*An evening with bestselling  
author Rob Parsons, OBE*

# Welcome to *The Wisdom House*

*“There’s a story of a land far away where the old people, before they died, wrote down a life lesson on a scroll. The scroll would be rolled up, and the villagers would keep them in a hut at the centre of the village. Once a year, the elders would gather everyone together and they would read those life lessons, not just to the young, but to those in later life too. They called that little hut **The Wisdom House.**”*

Rob Parsons has travelled the world meeting people from all walks of life and from cultures as diverse as New York and Borneo. He has spoken to governments, companies and over a million individuals. He has written fifteen books.

At ***The Wisdom House – Live*** you get the chance to spend an evening with Rob as he unpacks some of the life lessons he has learnt from old and young alike, plus a few he has learnt the hard way! Bring your friends and neighbours to this popular event.

With inspiring teaching, stories to touch your heart and time to laugh together, any minute of this evening could change your life ... *forever.*

*“ In my study are two old arm chairs. I sit in the one on the left of my fireplace and the other one is for ... YOU.”*

*“ Don’t be misled these ‘simple lessons’ are profound and potentially life-changing.”*

**John Gallacher**  
Professor of Cognitive Health,  
University of Oxford

*“After I had written **The Wisdom House** I began to dream about an evening where I could unpack some of the issues I raised in the book – but in a different way. The result is **The Wisdom House – Live.**”*
